# Community Development Financial Institutions

#### What are CDFIs?

#### **Community Development Financial Institutions (CDFIs):**

- Non-profit financial institutions
- Primary mission of community development
- Financial products and services for economically distressed areas
- Market niche underserved by traditional financial institutions

#### How do CDFIs work?

#### CDFIs differ from conventional financial institutions:

- Take greater risks. First in. Last out.
- Look beyond the project. What are the community impacts?
- Form strong relationships and work in partnerships within communities.
- Develop innovative loans, investments and financial services suited for underserved communities.
- Incubate businesses. Provide technical services.

#### What do CDFIs look like?

#### Many different Types of CDFIs:

- Community development banks
- Community development loan funds
- Community development credit institutions
- Microenterprise funds
- Community development corporation-based lenders and investors
- Community development venture funds

TRF is a community development loan fund.

# What services do CDFIs provide?

- Loans (housing, small businesses, health care & day care centers, charter schools facilities, art and cultural centers)
- Venture capital equity
- Policy and research studies
- Development services

Some CDFIs specialize in a particular type of lending (e.g., small business finance); others provide more than one type of service like The Reinvestment Fund.

# What are sources of CDFIs capital?

#### CDFIs get their capital from private and public sources.

- Corporations
- Individuals
- Religious institutions
- Private foundations
- Conventional financial institutions
- Federal, state & local governments

# Healthy Food Financing Initiative

- CDFI Fund Financial Assistance Program
- New Market Tax Credit Program
- State & Local Public/Private Partnerships

#### What is the CDFI Fund?

- Established to expand the capacity of CDFIs and CDEs to provide credit, capital, and financial services to underserved populations and economically distressed communities in the United States.
- Administers several programs that support CDFIs:
  - > Financial Assistance Program
  - New Tax Credit Program
  - Healthy Food Financing Initiative
  - Technical Assistance Programs
- For more information on CDFI Fund programs:

# New Market Tax Credit Program

- Stimulates investment in low income communities by giving corporations & individuals a 39 percent federal tax credit
- Investments must be made in a qualified business or economic development project.
- The business must be located in an eligible census tract.
- A priority is given for businesses and projects in low-income rural areas

# State & Local Public/Private Partnerships

- New Jersey Food Access Initiative
- Pennsylvania Fresh Food Financing Initiative
- New Orleans Fresh Food Retail Incentive Fund
- New York Healthy Foods, Healthy Communities Fund
- IFF Missouri Fresh Food Fund
- California FreshWorks Fund

# Financing for Grocery Stores

#### A Mission Fit for CDFIs

Developing
Quality Food
Markets in
Underserved
Communities

 Increases access to healthier foods, the consumption of which is associated with reduction in obesity & dietrelated diseases

Health

- Creates jobs with career paths
- Lowers the cost of food

Income

- Revitalizes neighborhoods
- Leverages private capital
- Increases local taxes

**Economic Stimulus** 

# Support for A Diversity of Projects

# CDFIs Can Finance a Diversity of Healthy Retail Enterprises

- New supermarkets
- Existing small & mid-size grocery stores
- Alternative retail formats (coops, farmers markets)
- Other healthy food businesses

#### **Examples of Financial Products CDFIs Can Offer**

- Grants
- Loans
- New Market Tax Credits
- Loan Guarantees

## **Examples of Activities CDFIs Can Finance**

- Predevelopment activities
- Environmental remediation
- Land acquisition
- Leasehold improvements & equipment purchases
- Working capital
- Construction & permanent financing
- Energy efficiency and conservation measures
- Workforce development & job training

# Typical Project Eligibility Requirements

- Expands or preserves availability of healthy, fresh, high quality foods, particularly fresh fruits and vegetables.
- Promotes community revitalization & job creation
- Meets other important community goals (e.g., buys locally, promotes healthy eating, incorporates health clinics, credit unions into the project, hires locally)
- Located in a "Food Desert" places inadequately served by quality grocers that provide an array of foods, including produce

#### What are Food Deserts?

#### The CDFI Fund requires:

- A census tract determined to be determined a food desert by the USDA Food Desert Locator; <u>or</u>
- A geographic area that meets the CDFI Fund's criteria for economically-distressed community; <u>and</u>
- Identified as an area having low access to a supermarket or grocery store through a methodology that has been adopted for use by another governmental or philanthropic healthy food initiative
